

Parental Authorisation Form for Excursions (Regulation 102: Authorisations for Excursions)

Dates of excursions: Ongoing

Proposed Destination: Nature Walks in the surrounding suburb of Bardwell Park (within a 1km radius of the service. The children will be going on regular outings to collect natural materials for the school. These are spontaneous excursions that allow educators to take out children on walks.

I, (Insert parent name) hereby give permission for my child, to attend the proposed excursion.

I agree to the following;

I understand that a risk assessment has been prepared and a copy is available at my request.

I understand that my child will be walking to and from these proposed excursions.

I understand that these excursions are ongoing and spontaneous.

A nature walk is a great way to enhance children’s appreciation of the natural environment. Ask them to tell you what they're seeing, hearing, and smelling. Encourage them to touch – to discover the smoothness of a rock, the roughness of bark, and the fragility of a dried leaf. For young children, these are science experiences.

The Outside Play and Learning Book by Karen Miller. Gryphon House, 1989.
